The Richland County Veterans Honor Roll
www.richlandveteransmemorial.com
In March 2003, the Richland County Veteran's Memorial Committee was formed. This memorial, dedicated to all Veterans of Richland County, starting with the War of 1812, will honor those who have served, those who are serving and those who will serve. It will list names of individuals who have been military personnel of a war, conflict, or in peacetime, a resident of Richland County at some period in their life. This Memorial is located along US Hwy 14, and actually is located next to the old railroad depot where our Soldiers/Marines boarded as far back as the Civil War to go off to war.
